CRIMINAL RECORD CHECK AND REFERENCE

ONLY FOR MINISTRIES MARKED v CR CHECK + REF

In caring for our children and teens we believe it is our responsibility to seek an adult staff that is able to provide healthy, safe and nurturing relationships. Therefore, we require that all persons working with children and teens agree to a mandatory criminal record check and provide one reference. Please note, a criminal history does not necessarily disqualify a person from serving.

Included in this application is a Criminal Check Authorization Form; once complete, the Cornerstone office will submit this to the Bermuda Police Service. Any information released to us as a result of the check is kept strictly confidential. Should you have any queries in regard to the Police Record Check, please contact the CBF Office at (441)295-9640.

- Yes, I understand Cornerstone's desire to protect our children and teenagers; included is the completed Criminal Check Authorization Form.
- Attached is a colored photocopy of a valid Government issued picture identification such as a passport or Voters ID card (Driver's License not accepted).
- Below I have provided the name & contact information of one reference (someone whom I have worked or served under) who may be contacted by the church office with regards to this application.
